

THE POWER OF
Teamwork

Inspired by The Blue Angels

Scott Beare & Michael McMillan

The heart and soul of the U.S. Navy's Blue Angels are the enlisted men and women and support officers who dedicate themselves to service and the constant pursuit of excellence. To them, I wish to extend my highest praise and respect for their hard work, professionalism, dedication, and above all, their commitment to a higher calling. I will live forever in awe of these extraordinary people who truly know the meaning of teamwork.

—Scott Beare
